The Care Compass®

FOR CARE HOMES · YOUR FIRST MONTH

Getting started with your family booklets

Your own edition of our calm, practical family booklets, with your logo on the cover, ready to give to families at the moments that matter. Simple to set up, with nothing for your team to manage.

DAYS 1–5

1 Confirm

Choose The First 30 Days, A Quiet Place to Start or With You Afterwards. One contact sends your logo and, for The First 30 Days, your welcome note and key numbers.

You provide: logo, welcome note, contact details. **No resident or family information** is needed.

DAYS 6–10

2 Prepare

We add your logo to the cover ("Shared with you by") and set up your own page inside, alongside our independent guidance.

Your team's time: none. We do the setup.

DAYS 11–15

3 Approve and pay

You check one PDF proof, with one round of corrections if needed. Once you approve it, we email an invoice. Pay by bank transfer, or ask us for a card payment link.

Your team's time: one review, one sign-off.

BY DAY 30

4 Deliver and hand over

Your booklets are dispatched within 7 working days of payment and proof approval. Give one to each family at the right moment: a first visit, moving day, or after a loss.

Reorders: always the latest checked edition, with your page kept as approved.
